

WILLS CREEK CHRISTMAS SOCIAL UPDATE

Friends and neighbors came together for our annual Christmas social on Saturday Dec 3rd to kick off the holiday season and to help two local families have a special Christmas.

In addition to all the goodies people brought to share, we held a 50/50 draw, a prize basket raffle and newly added this year – a homemade cookie sale and portraits by Molly!

As a result of the overwhelming generosity from Wills Creek owners and residents, we collected over \$1400 in gifts and donations - a huge success!

Special thanks go out to Bill & Albina Pedersen for donating the tableware in addition to other supplies, and to the Social Committee for their time and work to plan fun events for us throughout the year: Cathi Smith, Colleen Jones, Connie Peters, Kelley McElroy and Irene Buch.

On behalf of the Surrey Christmas Bureau, we would like to extend a sincere thank you to everyone for helping to make this Christmas extra special for two Surrey Families.

We wish you all the best for a safe, happy and healthy 2017.
