

HALLOWEEN

Hello Residents of Wills Creek,

Traditionally, we have celebrated Halloween with a function at the clubhouse for the children from our complex, as well as the surrounding neighbourhood, to walk through the scary decorations and pick out candy from trick-or-treat bowls.

We are pleased that we are able to continue with this fun night and will be hosting a Wills Creek Halloween Trick-or-Treat Station at the Club House on Sunday, October 31 from 6:00pm to 9:00pm.

Keeping everyone's safety in mind, we will see some slight changes this year with the event being held exclusively outdoors. There will be a one-way directional trick-or-treat route clearly marked. We will use the walkway that runs from the front door area of the clubhouse as the entrance, and use the gazebo as the exit area. Tables will be set up where volunteers will hand out pre-filled candy baggies to the kids that stop by.

We have some outdoor decorations and carved pumpkins on hand. If you have any Halloween decorations that you would like to donate, or allow use of for the night, then please let us know and we can arrange to get these.

In addition, many of you still like the little ones to come to your door. If so, we are asking that you leave your front door light on. For those that **do not** want to participate, please turn your front light off.

Lastly, please remember to take extra precaution when driving in the complex on Halloween. Drive dead (pardon the pun) slow, and keep an eye out for our little ghosts and goblins.

For those that wish to contribute decorations, please drop them off at the Club House on October 28th, between 6:00pm and 8:00pm. Or at #7 3109 side of the complex.

Thanks
Your Social Committee
